#### Incident Dispatcher Remarks:

Call from the resident of 23 Eliot Road reporting a dog issue. While walking his large dog he frequently encounters a female with a small dog that is not on a leash. The small dog has charged and attacked his large dog on multiple occasions. Today, he told the woman to control her dog, because he would be protecting his dog from being attacked. The woman said it was fine and did not restrain her dog, who went after the large dog. There was no dog bite, but the caller kicked at the small dog to prevent it from getting to his large dog. The caller was referred to the ACO. The small dog may live at 2 or 3 Marion.
